

## Privacy Agreement

We here at Nite and Day Web Hosting take your privacy very seriously. We strive to ensure that your private information remains private. This Privacy Policy governs the manner in which the Nite and Day Web Hosting web site collects, uses, maintains and discloses information collected from users of this Web Site.

### I. Privacy

Nite and Day Web Hosting provides many different services to it's visitors, members, and customers. This policy states the company-wide Privacy Policy with regard to data collection practices.

By visiting Nite and Day Web Hosting, becoming a registered member or customer of any service, or participating in promotions, contests, etc. you hereby provide your consent to the terms of this Privacy Policy, and are aware that our policy may change over time as discussed below. Specifically, this Privacy Policy may be updated to reflect new features, services and options, and any changes on the use of personal information. Continued use of Nite and Day Web Hosting Services will indicate that you agree with any changes.

### II. Nature of Information Collected

There are two types of information collected by Nite and Day Web Hosting: (A) anonymous and (B) personally identifiable information. The Nite and Day Web Hosting Network's collection practices regarding these two are discussed in greater detail below.

\*

#### A. Anonymous Information Collection

Anonymous information refers to information that cannot be tied back to a specific individual. As with visiting any web site, Nite and Day Web Hosting collects some basic information about your computer, including browser type, operating system, IP address, Internet service provider and geographic location.

\*

#### B. Personally Identifiable Information

Personally identifiable information can be used to directly identify an individual. Nite and Day Web Hosting requires personal information to be collected in order to create your account.

### III. Use of Cookies

Nite and Day Web Hosting uses cookies throughout our web sites. A cookie is simply a small data file sent to your computer that identifies your computer to a specific web site. It also collects anonymous information and tracks traffic patterns. A cookie will not provide any personally identifiable information about you, nor will it read data off of your hard drive, or read cookie files created by other web sites. Nite and Day Web Hosting uses the information provided by a cookie for tracking site usage and targeting of advertising. This allows Nite and Day Web Hosting to customize your visit and save you time during subsequent visits.

### IV. Purposes for Which Information is Collected

Nite and Day Web Hosting tracks anonymous information to determine which pages are preferred based on traffic to those areas and provide marketing information to our advertisers and sponsors. This information is aggregated to provide Nite and Day Web Hosting with demographic and other statistical data that allows us to assess how well our web site is performing.

The personal information collected from our customers, or anyone that submits their personal information, is used to create and maintain the services requested. This includes corresponding with our members and customers by e-mail, postal mail, or phone. This correspondence is for the purpose of keeping our members and customers up to date with important system announcements and updates, and also for offering relevant third party opportunities via email. Unsubscribe procedures from non-account maintenance notifications are posted at the bottom of each email.

### V. Sharing of Information Collected by Nite and Day Web Hosting

Nite and Day Web Hosting does NOT share the personal information of our customers with third parties without the specific consent of the customer.

Nite and Day Web Hosting will cooperate, as appropriate, with police, judicial and other law enforcement agencies and disclose personal information and data upon receipt of the appropriate court orders. Nite and Day Web Hosting reserves the right in the absence of a court order, to release information concerning a member or customer who Nite and Day Web Hosting believes is using Nite and Day Web Hosting services for illegal activities.

### VI. Links to Third Parties

Nite and Day Web Hosting's web sites contain links to other web sites. When accessing the web sites of third parties, including through ad banners and other links, you will be accessing sites that are not operated or controlled by Nite and Day Web Hosting. These sites may collect anonymous and personal information by various methods, including the use of cookies. The privacy policies of these web sites may not be the same as those of Nite and Day Web Hosting and may not afford visitors and citizens the same level of protection. Visitors and citizens should contact these advertisers to verify the privacy policies of these web sites and their terms of use when accessing them and prior to providing any anonymous or personal information.

### VII. Storage and Security

Data collected by Nite and Day Web Hosting is stored in secure servers located in the United States. Nite and Day Web Hosting has security procedures in place to protect the loss, misuse or alteration of information under its control. These security measures include the necessary protection to prevent, as far as possible, access to Nite and Day Web Hosting databases to parties other than Nite and Day Web Hosting. The utmost care is maintained to ensure your personal information is not at risk.

### VIII. Review, Correction of Information and Deactivation of Membership

A customer may decide at any time to terminate his/her relationship with Nite and Day Web Hosting. Upon termination personal information is removed from Nite and Day Web Hosting's databases. Please be advised that because of back-ups, and records of deletions, it may be impossible to delete all information about a citizen without some residual information still remaining.

### IX. Protection of Minors

The protection of children's online privacy is very important to The Nite and Day Web Hosting Network. For that reason, it is our policy not to collect or maintain information at our web sites from those we actually know are under 13 and no part of our web sites are structured to attract anyone under 13.

### XI. Consent, Opt-In and Opt-Out

Visitors and members of The Nite and Day Web Hosting Network confirm by visiting any of the sites or the submission of their personal information that they consent to the collection and processing of personal information, the use of cookies and transfer of personal data in countries other than their country of residence.
